Visual Storytelling

Bali Area

Every cheer, every step,
every irreplaceable second
Today is more than a gathering - it's a memory
in the making
We're here to keep that memory alive,
long after the lights dim and the stage falls
silent

With love,
NIL Entertain

POST PRODUCTION FLOW

1. Google Drive link that already contains the original file (non-edited) will be given a maximum of H+1
2. You can choose the number of photos according to the package taken
3. The 'Selected Photo' folder will be provided in Google Drive and you can move the selected photos to that folder. Then you can confirm to the admin when you have finished moving the photos
4. Photo editing includes color tones (does not accept changing body shape)
5. Estimated editing process 1-3 working days after the photo is selected
6. The video is sent together with the edited photo
7. Revisions can be made a maximum of 1x
8. The Google Drive link can be accessed for 14 days
